Fifth International Symposium on Childhood, Adolescent and Young Adult Non-Hodgkin Lymphoma

Presenting the latest scientific and clinical advances in childhood, adolescent and young adult Non-Hodgkin Lymphoma

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of New York Medical College and Pediatric Cancer Research Foundation. New York Medical College is accredited by the ACCME to provide continuing medical education for physicians.

New York Medical College designates this Live activity for a maximum of 22.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Conference Organizers

Mitchell S. Cairo, MD, Chair
Professor of Pediatrics, Medicine, Pathology, Microbiology & Immunology and Cell Biology & Anatomy
Maria Fareri Children’s Hospital at Westchester Medical Center
New York Medical College

Andrea Biondi, MD, Co-Chair
Professor of Pediatrics at the Faculty of Medicine & Surgery, University of Milano-Bicocca
Director of the Department and the School of Pediatrics
San Gerardo Hospital, Monza, Italy
President of AIEOP

Marta Pillon, MD, Co-Chair
Department of Women’s and Children’s Health, Clinic of Pediatric Hematology-Oncology, University of Padua, Italy
Chief of the AIEOP NHL-Working Group

ABSTRACT SUBMISSION—DEADLINE JUNE 7, 2015 by 5:00 PM PST

a. Abstracts must be received by Sunday, June 7, 2015, 5:00 PM PST, to be considered for presentation.
b. Abstracts must address scientific questions pertaining to childhood, adolescent, or young adult Non-Hodgkin Lymphoma or related subject matter.
c. Abstracts will be published in British Journal of Haematology.
d. Abstracts are to be submitted via e-mail as a Microsoft Word attachment to nhlsymposium@nymc.edu

e. To present an abstract, applicant must be registered to attend the Symposium.
f. There is no abstract submission fee.
g. You can register for the Symposium at the same time of abstract submission at our website, WWW.PCRF-KIDS.ORG.

FINANCIAL NEED AWARDS

Financial Need Award -- Registrants from a low-income country who have an abstract accepted may apply for a Travel Merit Award ($500). A letter by e-mail detailing reasons for financial need must be attached with the abstract submission. (Limit—10 Travel Merit Awards)

BEST ABSTRACT AWARDS

a. Best oral abstracts will be selected by scientific merit for oral presentation in each plenary session of the meeting. An award of $500 will be made for the best oral presentation at the meeting.
b. Eighteen abstracts of noteworthy scientific merit will be selected for a poster discussion session at the meeting. An award of $500 will be made for the best poster discussion presentation at the meeting.
c. Additionally, other accepted abstracts will be presented in the general poster session. An award of $500 will be made for the best poster in the general session at the meeting.

ABSTRACT FORMAT:

a. Abstracts must be submitted via e-mail as a Microsoft Word document attachment; abstract should not exceed 300 words including title and body (authors’ names and institutions are not counted).
c. Abstract format is as follows:

   Title (Title Case)
   Authors, Institution, City, State or Province, Country
   Body (use the following headings):
   Background
   Objectives
   Design/Methods
   Results
   Conclusion

The following information must be included in the e-mail with each submission:

a. Name of corresponding author
b. Department/Institution, City, Country
c. Telephone number
d. E-mail address of corresponding author
e. Category desired (authors MUST indicate one scientific category)

   1. Childhood, Adolescent and Young Adult NHL in Low and Middle Income Countries
   2. B-Cell Non-Hodgkin Lymphoma
   3. Adolescent & Young-Adult Lymphoma
   4. T/NK Cell Non-Hodgkin Lymphoma
   5. Lymphoma Immunology
   6. Anaplastic Large Cell Lymphoma
   7. Lymphoma Translational Biology
   8. Novel Therapeutics in NHL
   9. Lymphoblastic Lymphoma

• Abstracts pertinent to childhood, adolescent and young adult Non-Hodgkin Lymphoma that have been accepted/presented at scientific meetings within the past 18 months are also acceptable for submission to this symposium.

• Questions should be addressed to Carmella van de Ven at NHLSYMPOSIUM@NYMC.EDU

• Submit Abstract by E-mail to -- NHLSYMPOSIUM@NYMC.EDU

• Abstract Review:
   a. Abstracts will be peer-reviewed according to Scientific Categories.
   b. Notification of acceptance or rejection of abstracts will be made via e-mail on or around July 31, 2015.
   c. The decision of the reviewing committees regarding the acceptance of abstracts is final.
CME Information

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of New York Medical College and Pediatric Cancer Research Foundation.
