| 8:00-9:30am  | Plenary Session I – New Frontiers in Natural Killer Cell Based Therapy  
Session Chair: Mitchell Cairo, MD  
a) Autologous Natural Killer Cell addback for neuroblastoma – Dean Lee, MD, PhD  
b) Haploidentical Natural Killer Cells – Michael Verneris, MD  
c) Natural Killer cells CAR Therapy – Mitchell Cairo, MD |
| 9:30-10:30am | Plenary Session II – Novel Approaches to Juvenile Myelomonocytic Leukemia (JMML)  
Session Chair: Sung Choi, MD  
a) Biology of JMML – Mignon Loh, MD  
b) Best Practice of JMML Therapy – Franco Locatelli, MD |
| 10:30-10:45am | Break |
| 10:45-12:30pm | Plenary Session III – Advances in Stem Cell Collection and Transfusion Medicine  
Session Chair: Angie Smith, MD  
a) Peripheral blood progenitor cell mobilization for autologous and allogeneic hematopoietic cell transplantation: Paul Carpenter, MD  
b) Model of Auto collections and maximizing CD34 count with minimizing run time: Rachel Bercovitz, MD  
c) Donor HLA Antibodies and Graft failure: Stefan Ciurea, MD  
d) Thrombotic Microangiopathy (TMA) – Sonata Jodele, MD |
| 12:30-12:45pm | Lunch Pick-up |
| 12:45-1:45pm | Workshop I – Complications in Bone Marrow Transplantation: How Do I Treat?  
Session Chair - Julie Talano, MD  
a) See the Signs: The importance of identifying potentially life-threatening VOD at the first sign of progression – Heather Symons, MD  
b) Veno-Occlusive Disease (VOD) – Nancy Kernan, MD |
| 1:45-3:15pm  | Plenary Session IV A – Unique Challenges in BMT for Rare Conditions  
Session Chair: Andrew Dietz, MD  
a) Dyskeratosis Congenita – Andrew Dietz, MD  
b) Chronic Granulomatous Disease – Elizabeth Kang, MD  
c) IPEX – Lauri Burroughs, MD |
| 1:45-3:15pm  | Nursing Plenary Session  
Session Chair: Rita Secola, PhD, RN, CPON, FAAN  
a) Aplastic Anemia – David Margolis, MD  
b) Guidelines for the Management of NBL Patients receiving Dinutuximab Therapy – Rita Secola, PhD, RN, CPON, FAAN |
| 3:15-3:30pm  | Break |
| 3:30-6:00pm  | Oral Abstracts (10 presentations, 15 mins each) |
| 6:00-6:30pm  | Reception & Poster Session |
| 7:00-8:30pm  | Evening Dinner & Young Investigator Workshop – Speed Mentoring  
Moderators: Julie Talano, MD and Dean Lee, MD, PhD |
