

**Eighth Annual PBMTC Educational Meeting:  
Maximizing Survival: Reducing Cellular Therapy Related Morbidity and Mortality**

**May 6, 2020**

**Fort Worth, Texas**

**Held in conjunction with the ASPHO Conference**

<b>8:00- 8:10</b>	<b>Welcome and Introduction</b>	<b>Christy Duncan</b>
<b>8:10-9:25</b>	<b>Acute Transplant-Related Endothelial Injury Syndromes</b>	<b>Session Moderator: Kris Mahadeo</b>
8:10- 8:35	<i>The endothelium as a target of transplant related injury</i>	
8:35-9:00	<i>Treating TMA: Who, when, and for how long</i>	
9:00-9:25	<i>Modern Pediatric VOD</i>	
<b>9:25-10:45</b>	<b>Infectious Disease Management in the Current Era of Hematopoietic Cell Transplant and Cell Therapies</b>	<b>Session Moderator: Jeff Auletta</b>
9:25-9:50	<i>Preventing infection in the transplant recipient: Is an ounce of prevention really worth a pound of cure?</i>	<i>Brian Fisher</i>
9:50-10:15	<i>Assessing the clinical utility of new diagnostics in infection surveillance and diagnosis</i>	<i>Alpana Waghmare</i>
10:15-10:40	<i>Emerging pathogens and therapies: Bugs, drugs and due diligence</i>	<i>Monica Ardura</i>
10:40-10:50	<b>BREAK</b>	
<b>10:50-12:05</b>	<b>Unique considerations in the acute and chronic management of children transplanted for non-malignant disorders</b>	<b>Session Moderators: James Labelle and Jennifer Whangbo</b>
10:50-11:15	<i>Acute toxicity in patients with immune dysregulation disorders</i>	<i>Jennifer Whangbo</i>
11:15-11:40	<i>MPS disorders: before, after and during transplant</i>	<i>?Kristen Page</i>
11:40-12:05	<i>Surviving transplant for sickle cell disease</i>	<i>James Labelle</i>
<b>12:05-12:20</b>	<b>BREAK/PICK UP BOXED LUNCHES</b>	
<b>12:20-1:20</b>	<b>ABSTRACT PRESENTATIONS</b>	<b>Moderator: Christy Duncan</b>
<b>1:20-2:35</b>	<b>Modern Multidisciplinary Onco-Transplant Critical Care</b>	<b>Session Moderator: Matt Zinter</b>
1:20-1:45	<i>Acute delirium in ICU and HCT patients</i>	<i>Chani Traube?</i>
1:45-2:10	<i>Hypoxemic respiratory failure in HSCT patients: past, present, and future</i>	<i>Robert Tamburro?</i>
2:10-2:35	<i>ECMO: Who, when, and why: An interactive panel debate</i>	<i>Panel (Lead by Matt Zinter)</i>
<b>2:35-2:45</b>	<b>BREAK</b>	
<b>2:45-4:00</b>	<b>Acute and Chronic Transplant-Related Failure</b>	<b>Session Moderator: Sangeeta Hingorani</b>
2:45-3:10	<i>Acute renal injury as a predictor of survival</i>	
3:10-3:35	<i>The role of renal replacement therapy in acute kidney failure</i>	
3:35-4:00	<i>Chronic kidney disease: risk factors, screening and management in long-term transplant survivors</i>	<i>Sangeeta Hingorani</i>
<b>4:00- 5:15</b>	<b>Social and Environmental Determinants of Morbidity</b>	<b>Session Moderator: Chris Dandoy</b>
4:00-4:25	<i>The impact of poverty on survival and outcome</i>	
4:25-4:50	<i>Opportunities and Management Challenges in Adolescent Patients</i>	<i>Chris Dandoy</i>
4:50-5:15	<i>Depression and anxiety in patients and families and impact on morbidity</i>	
<b>5:15-6:15</b>	<b>Poster Reception</b>	
<b>7:00</b>	<b>Trainee, Junior Faculty, APP Evening Session</b>
